

Dear Comrades,

The ARISE Conference 2014 was held at CHENNAI on 07 September 2014 and it was a grand success.

A decision has been taken at the General Council that the members can pay an one time **Life Subscription of Rs. 6,000/- (Rupees Six Thousand only)** or in an alternative to give an **authorization to deduct Rs. 50/- every month** from their Monthly Pension under check off system.

The members are requested to prepare a Cheque for Rs. 6,000/- favouring "THE ARISE" and arrange to send it to our central unit at your earliest. In an alternative, you may chose the other option also.

If you require any other clarification, kindly contact me.

With Best Wishes and Warm Greetings and Regards,

K S NARASIMHA MURTHY
